List of Tables

1 Introduction

2 Material and Methods

Data and methods are discussed in Section 2.2. This citation will appear in the bibliography section (Gonçalves-Silva et al. 2022). The scientific research follows the model shown in the figured cross-referenced here (Figure 1) and shown below.

Figure 1: Etapas do desenvolvimento da pesquisa científica.

2.1 Study Area and Sampling Design

2.2 Data Collection

2.3 Statistical Analyses

Here you can add your statistical analyses and follow the text with the RStudio code.
